IMPORTANT AUCTION

DUE TO THE CLOSURE OF ONE OF EUROPE'S LARGEST FOOD PROCESSORS.

Phase one - Offering some of the most outstanding second hand equipment to come to the market. This is an opportunity to buy very high quality equipment at a fraction of it's new price.

AUCTION TO BE HELD ON WEDS 25 JULY 2012

Shown above is the complete fully automatic mince line which handles whole frozen meat blocks of material and fresh meat. The whole system is fitted on load cells. Could be used for burgers or other meat products. Feeding on to Risco vacuum fillers. With mince Portioning. Through metal detection/check-weighing and Multivac tray sealing machines. This line has only been used for a few months, is still in situ and absolutely brand new.

VIEWING: By appointment only through the auctioneers.
